Dear Mark,

Happy New Year to you! As I reflect on the fall semester, I am grateful that you were able to be a part of my Community Nutrition Education class. I truly appreciate your taking the time to present to my students and share your professional expertise with us. It was a very beneficial experience for them and they were happy to learn about your business and see it in operation. I really appreciate your kindly hosting us and hope you will be willing to do so again in the future. Thank you for your continuing support!

I hope you are enjoying the new year! Here's to a happy and healthy 2010!

Sincerely,

A handwritten signature in cursive script that reads "Marcia".
